SUMMARY

Health Programme — Work Programme for 2018

The annex to Commission Implementing Decision C(2017) 8350 of 13 December 2017, sets out the priorities and actions to be undertaken for the year 2018, including the allocation of resources, to implement the Third Programme of the Union's action in the field of health (2014-2020) established under Regulation (EU) No 282/2014 ('the Programme Regulation').

According to Article 11 of the Programme Regulation, the Commission is required to adopt, by means of implementing acts, annual work programmes to set out, in particular, actions to be undertaken, including the indicative allocation of financial resources. These actions should fall under the four objectives and 23 thematic priorities identified in Annex I to the Programme Regulation:

1. Promoting health, preventing diseases and fostering supportive environments for healthy lifestyles taking into account the 'health in all policies' principle;
2. Protecting Union citizens from serious cross-border threats to health;
3. Contributing to innovative, efficient and sustainable health systems;
4. Facilitating access to better and safer healthcare for Union citizens.

The allocation of **resources** for 2018 is as follows:

for grants (implemented under direct management) (chapter 2): EUR 39 890 000

Projects:	EUR 20 850 000
Joint Actions:	EUR 7 900 000
Operating Grants:	EUR 5 000 000
Direct Grants:	EUR 6 140 000

for prizes (implemented under direct management) (chapter 3): EUR 60 000

for procurement (implemented under direct management) (chapter 4): EUR 14 730 701

for other actions (chapter 5): EUR 7 399 000

The total available budget for 2018 is EUR 62 079 701.
