There are different actions:

It indicates that the notification can be edited/modified. If you click on it, you go directly to the export notification form

It shows you the export notification in adobe version as a pdf file.

Clicking it, the notification is sent back to the exporter with a comment to be checked.

Clicking it, the notification is sent to the Joint Research Centre (JRC) to be processed and validated.

If there is a problem with the notification the Joint Research Centre (JRC) will send an email to the Designated National Authority (DNA) asking to solve the problem in order to process and validate it.
